Employee financial stress can be a major distraction for your employees, but it can also strain your company through high turnover and loss of productivity. Join the upcoming Ernst & Young LLP Personal Finance webcast as we feature a live panel discussing:

- Why financial wellness benefits are now equally important as traditional employee benefits
- Key elements of a financial wellness program
- How financial wellness can aid in recruitment and retention efforts
- Examples from peer HR professionals about why they chose to offer financial wellness to their workforce and the impact it has made

- o Cost: FREE
