CPAmerica International has added [SurePrep](#) as a new preferred provider for the association. This new relationship gives member firms discounted pricing on automated solutions that streamline the 1040 process for both the CPA and taxpayer.

“We’ve been working with CPAmerica International member firms since SurePrep was founded in 2002 and we’re excited to be approved as a preferred provider,” said SurePrep’s Vice President of Marketing Greg Pope. “We look forward to strengthening existing relationships and building new ones with CPAmerica members.”

“We welcome SurePrep as a new preferred provider for the association,” said Alan Deichler, president of CPAmerica. “CPAmerica preferred providers must go through a stringent approval process in order to get the seal of approval from the membership.”
