platform, the leading cloud-based system designed to enable accountants to offer seamless, end-to-end payroll services to their small-business clients.

Nov. 18, 2018

AccountantsWorld, a leading provider of cloud-based solutions for accountants, today announces the launch of their best-in-class mobile application, Employee Portal Payroll Relief (EPPR). This new app allows small-business employees the convenience of mobile access to payroll and HR information.

EPPR is the only app that fully integrates with AccountantsWorld's Payroll Relief platform, the leading cloud-based system designed to enable accountants to offer seamless, end-to-end payroll services to their small-business clients.

"AccountantsWorld has always been committed to making payroll as easy as possible for accountants and small-business employers," said AccountantsWorld co-founder Sharada Bhansali. "The launch of Employee Portal Payroll Relief is our latest evolution of streamlining payroll for all, bringing the simplicity and functionality of mobile technology to small business employees."

As the workforce modernizes, employees are expecting their employers to provide the latest technological options, including mobile compatibility and the always-on remote access they enjoy in all other facets of their lives. Unfortunately, offering

these vital technological advancements at scale can be too draining on a small

- Ability to upload W-4 and I-9 forms directly from a mobile phone
- Ability to adjust HR information, such as phone number, address etc.

AccountantsWorld is also in the process of developing a counterpart app specifically for small business employers and accountants, giving more flexible and better end-to-end visibility of their and their clients business.

EPPR is available on both [iOS](#) and [Android](#). For more information, visit www.accountantsworld.com/
