Sage surveyed 3,000 accountants from across the globe to hear first-hand how the accounting landscape is changing. Based on these survey results, the Practice of Now report analyzes the findings and discusses key topics raised. It provides advice on how to keep pace and thrive with shifts in the accounting profession.

See what your peers think and ensure you are prepared to continue running a successful practice now and into the future with our exclusive FREE report.

- The accountancy landscape as experienced by those who work within it
- Artificial intelligence: The technology that is already revolutionizing working practices – and what it means for you

- The evolving needs of your clients in an increasingly sophisticated practice
