and expense applications more efficiently, making them more secure and improving internal controls. Data can be quickly accessed and shared by tax and accounting professionals in a proprietary, secure, cloud environment without redundancy. Complex procedures can be simplified to better control risk and maximize profitability. Advantage manages processes related to fixed assets, leased assets, federal and state tax, NOLs, provision analysis, sales and use tax rates, and more, making it easy to identify tax savings, factor in the impacts of legislation, and make more informed business decisions.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
