AuditDashboard 3.0

Feb. 26, 2019

AuditDashboard 3.0 helps small, medium and large CPA firms standardize the information collection process. By offering a dynamic, web-based, alternative to the traditional excel prepared by client request list, we help firms increase productivity and enhance client experiences.

AuditDashboard 3.0 compliments a firm's existing software, updating how professionals and their clients work together. To learn more about empowering consistent client experiences that drive efficiency and promote project accountability, visit us at AuditDashboard.com
