Trust Accountant enables CPAs, attorneys, etc. to easily and cost-effectively manage the accounting for trusts and estates. The program is a flexible Windows-based accounting tool. The simple, standardized interface of the Trust Accountant requires minimal training time. Five input windows allow codeless data entry yet provide flexible accurate accounting and diverse financial, tax and court reporting. Logical menus and drop-down boxes allow CPAs or assistants to quickly and easily navigate through all the features and functions of this comprehensive trust and estate accounting program. Also useful for managing clients portfolios.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
