We've taken the best of a traditional office work area and digitized the most familiar and used aspects. By combining dashboards and data entry into one Single Screen, users find a unique experience where everything they need is only one click away. This experience we call Workspace™.

- All of your client's info, projects and tasks are in one place which seamlessly updates your other programs.
- Keeping track of your staff is made simple. Keeping projects on track and under budget a breeze.
- Seamless time tracking tools take the burden out of time sheets. Now you can focus on making money not administration.
- Track all communications, phone calls and email easily while seamlessly integrated into your workflow.
- All tasks for your office are easily tracked and visible through dashboards and auto deadline reminders.
