FORTUNE and Great Place to Work have honored The Bonadio Group as one of the [60 Best Companies to Work for in New York](#). The ranking considered feedback from employees working at Great Place to Work-certified organizations across New York state. Great Place to Work, a global people analytics and consulting firm, selected companies for the list based on responses to a detailed culture brief questionnaire and an anonymous survey which polled employees about their employers' benefits, programs, and workplace culture. The Bonadio Group took the 19th spot in the small and medium business category.

"As The Bonadio Group expands nationally, we are immensely proud to call New York our home," said Bruce Zicari, CEO of the Bonadio Group. "We thank our people for embracing the Bonadio purpose every day by inspiring growth, creating opportunities and strengthening their communities. They truly make our firm a great place to work."
