[ExpensifyApproved! University](#) provides free, all-in-one Expensify training for any accountant or bookkeeper. The program engages learners of all levels with in-depth instructional articles, visual product walkthroughs, and interactive review questions. The curriculum covers critical Expensify terms, accountant-friendly product functionality, and client management best practices.

Self-led training like ExpensifyApproved! University is essential for accountants on a busy schedule, and enhances the profession by rewarding those most driven toward the mastery of modern technology. Furthermore, the training material is developed to support every knowledge level, from basic step-by-step instructions for new users to time-saving pro tips for more experienced ones.

In terms of increasing efficiency, productivity, and profitability in the accounting

A new version of the program is currently under review by the National Association of State Boards of Accountancy. We believe CPE accreditation is the most impactful next step in the future of this program, not only rewarding learners with transferable knowledge, but awarding them with credits essential to their career success
