What are you doing to make a difference in the profession, your community, the world?

Working with today's accountants and CPAs around the world giving them the knowledge they need to break free of the box and punch above their weight by understanding the cutting edge technology and skills they need to have rewarding and fulfilling lives.

Additional working with and empowering the amazing team at C3 Advisory and C3 Financial to continue to grow the firm of tomorrow and provide innovative solutions to our clients.

What do you see yourself doing professionally in 10 years?

Continuing to love what I do everyday and make an impact in people's lives.
