also qualify for IRS Continuing Education credit.

— *“Just want to say how much I have enjoyed all of these sessions. I’m so used to highly technical CPE and this is such a refreshing approach in terms of really relevant material and a format that was so informal and appealing. I picked up a number of ‘pearls’!”* – Debbie Misegardis, CPA, MT

If you're planning on watching Ensuring Success with other members of your firm, we recommend you set up a large monitor in your conference room or meeting room, distribute a schedule of the sessions to your firm members, and encourage your team to watch the sessions together so you can discuss the topics as they are being presented. Order in some lunch or snacks and make it a day of learning together.

Throughout the day you will have the opportunity to communicate with us live just as if you are with us in a classroom, participate in interactive polling, and follow us on social media (Facebook: <https://www.facebook.com/cpapracticeadvisor>; Twitter #DecemberCPE).

You won't be disappointed in the content and the quality of the sessions! You can register today at www.ensuringsuccess.com!

Ensuring Success is free to all attendees as a result of the generous sponsorships by key members of the accounting community including ADP, Avalara, BQE Software, Chase Ink, CPA.com, efile4biz.com, Intuit ProConnect, Sage, and Xero.

Please join us on Thursday December 12, from 9 a.m. to 7 p.m. EST at www.ensuringsuccess.com!
