and 45 days and either repay in full when the loan reaches maturity or allocate up to 100 percent of Kabbage Payments revenue towards the balance over the selected period.

Feb. 05, 2020

Kabbage, Inc., a data and technology company providing small businesses cash flow solutions, launched access to custom loans for **Kabbage Payments** customers. The new lending product gives U.S. small businesses more control over short-term funding needs. Integrating Kabbage Funding with Kabbage Payments marks the first of many new solutions from Kabbage as it expands to help small businesses efficiently analyze and manage their cash flow.

With custom loans, Kabbage Payments customers choose any term between three

said Kabbage CEO Rob Frohwein. “We designed our custom loan product to recognize these inherent challenges and provide our customers with even more flexible funding to better manage their businesses.”

Now available to U.S. small businesses, Kabbage Payments also offers unlimited online invoicing, next-day deposits, zero monthly fees and free customer support. With its unique pay link feature, **customers are getting paid via email, texts and the web in less than 24 hours**. New Kabbage Payments customers will save with a competitively low fee of 2.25% per credit-card transaction until June 2020. **Signing up is free**, and small businesses can immediately start creating, sending and settling invoices through Kabbage Payments to get paid faster.

“A lot of payments services are built for bookkeepers, not for business leaders,” says Thom Pirone, owner of **Stronghold Training**, a management consulting firm in Tampa Bay, Florida. “My payment provider kept offering me training to use the platform, but I was too busy. I needed something I could sit down and use instantly and intuitively. Kabbage Payments is perfect for a small business owner who wants to start generating invoices and getting paid today.”
