career partner to our members and financial professionals. The Hub will provide them the resources and tools they need to remain competitive in the job market, and the broad range of financial jobs available will meet the needs of young professionals looking to launch their careers as well as seasoned professionals looking for their next opportunity.”

The [Global Career Hub](#) features tools for professionals at all career stages, from students and entry level accountants looking for their first position to mid- and senior-career CPAs seeking to hone their skills or advance their careers.

The site currently lists more than 17,500 job openings globally, including positions in the UK, US, Asia and Australia, from all levels of accountants to CFOs. It also features resume and interview coaching products and services, as well as career advice, including how to determine your salary worth or ways to better advocate for themselves in the workplace. New features and postings will be added regularly.

At the same time, the Global Career Hub offers employers and recruitment agencies access to qualified applicants from around the world, as well as the opportunity to show case their company and brand to attract high caliber talent.
