service that builds upon Baker Tilly Digital, a suite of data analytic and advanced technology capabilities that help companies navigate the complexities of digital ...

Mar. 12, 2020

The national advisory, tax and assurance firm Baker Tilly Virchow Krause, LLP (Baker Tilly) announces the acquisition of Talavant, Inc., a Madison, Wisconsin-based data analytics management consulting firm. The move bolsters Baker Tilly's digital foundation to support market demand for data solutions.

Talavant excels in helping organizations leverage data as a competitive asset, a service that builds upon Baker Tilly Digital, a suite of data analytic and advanced technology capabilities that help companies navigate the complexities of digital transformation.

"Teaming Talavant's deep analytics capabilities with Baker Tilly's advanced technology solutions and industry specialization creates a unique combination of skills, knowledge and bench strength to help our clients anticipate market conditions and make strategic decisions," Principal and Baker Tilly Digital Leader John Runte said.

"Joining forces with Baker Tilly broadens our capabilities to serve the growing needs of our clients and provide exciting opportunities for our team members," Talavant President Dave DuVarney said. "Baker Tilly and Talavant share a focus on maximizing client value and providing a personalized client experience."

Baker Tilly Digital encompasses an evolving set of Baker Tilly's most technical service offerings, from analytics and cloud strategies to its own Digital | Labs, a development incubator of next-generation tools and services. The team of advanced technologists, data scientists, intelligent automation practitioners and emerging

technology leaders, with deep industry knowledge, focuses on integration of
