To aid accounting firms of all sizes, effective immediately, **Avii** (www.avii.com) is providing the Avii Workspace unified **firm cloud** platform for tax, audit, advisory, compliance and management consulting firms at no cost in its full version for up to 25 internal firm users with up to 1GB of data storage and unlimited client users free of charge until at least June 1, 2020.

The world of finance and accounting has hit its most challenging hurdles in recorded history with the uncertainties created by stock values dropping, rules and deadlines evolving, and COVID-19. Accounting professionals need to embrace SaaS solutions that uphold strict compliance and data security while enabling worker mobility and

remote access capabilities while empowering their teams and clients with

Avii co-founder and CEO Lyle Ball said, “We are supporting the accounting community—most especially small firms and mid-to-large sized regional practices that are being the most heavily affected by current world changes.”

“We’re filling the gap by offering up our entire platform for free evaluation and usage to accounting firms as they race to navigate the collection of hurdles and realities we now face together,” Ball said.

This platform gives accountants working remotely the ability to pick and choose just those solutions they immediately need from Avii’s complete suite of deeply interconnected solutions for:

- Client Portals
- Secure Document Exchange and Archive
- Workflow Management System with customized Projects and Tasks
- Resource status and planning powered by Workflows
- Team and Client Collaboration
- Resource and Team Management
- Expense and Invoice Tracking
- Unified Dashboard and KPIs

Avii Workspace automates these and many other elements of the accounting workflow from start to finish with more interconnectivity, unified data and AI automation than any other accounting platform.

During a time when face-to-face interactions are not possible, Avii Workspace fills the gaps by giving Clients and Accountants additional confidence, comfort and actual 1-to-1 touch points, with a single, secure portal through which they exchange all documents, data and communications.

“Accountants using Avii can automate more of their entire workflow while also
