Smartvault is collecting survey responses through April 8 and will compile the results into a report that will be published later in April to help accountants better understand the current state of the profession. The brief survey takes 5-10 minutes to complete and for each response received SmartVault will donate \$5 to support COVID-19 relief efforts via the [Small Business Relief Fund](#) and the [National Emergencies Trust](#). Plus, all respondents will receive a complimentary copy of the report.

Accountants, bookkeepers and tax professionals can take the survey today at:
