## Business Continuity & Disaster Recovery

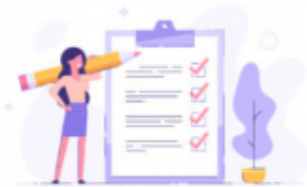

The key to ensuring your business can survive the unthinkable is to prepare for anything. But business continuity and disaster recovery don't have to be as daunting as they sound.

### Create Your Firm's Disaster Recovery Plan in 5 Easy Steps

As accountants, most of us like dealing with certainty. As business owners, however, we have to be able to handle a certain degree of uncertainty, including situations over which we have no control at all. That's where a disaster recovery plan (DRP) comes into play.

### Disaster Recovery Checklist

This handy DRP checklist is a great place to start for professional service providers who have yet to tackle disaster recovery planning.
