execution excellence, the Quick Start Package will achieve just that, and help professionals quickly model and execute against revised financial and operational plans.”

The launch is the latest in Vena’s dedication to its core values of protecting customer trust and executing with excellence. In addition to the Agile Planning Quick Start Package, Vena introduced [Vena Nation week](#), offering a completely virtual learning and conference experience that features expanded content, training, and the chance for finance and operations professionals and business leaders to easily continue their professional development and learn from best practices during these uncertain times.
