Apr. 17, 2020

Need help navigating the new normal? Learn how you can differentiate your firm, and help your community, by offering SMB clients remote advisory services when they need it most.

Accountants have long been the financial scorekeepers for businesses and have benefitted significantly from the past decade of economic growth and prosperity.

But as we know, COVID-19 is having a major impact on the economy, directly changing the way accountants can support their business clients. What advice should you give to a business that only has one month's pay set aside for employees?
