Service and provides an organized public forum for discussion of relevant tax administration issues between IRS officials and representatives of the public.

Apr. 24, 2020

IRS

Department of the Treasury
Internal Revenue Service

The Internal Revenue Service is accepting applications for the Internal Revenue Service Advisory Council (IRSAC). Applications will be accepted through June 12, 2020.

The IRSAC serves as an advisory body to the Commissioner of the Internal Revenue Service and provides an organized public forum for discussion of relevant tax administration issues between IRS officials and representatives of the public. The IRSAC proposes enhancements to IRS operations, recommends administrative and

policy changes to improve taxpayer service, compliance and tax administration,

Nominations of qualified individuals may come from individuals or organizations. IRSAC members are drawn from substantially diverse backgrounds representing a cross-section of the taxpaying public with substantial, disparate experience in: tax preparation for individuals, small businesses and/or large, multi-national corporations; information reporting, tax-exempt and government entities; digital services; and professional standards of tax professionals.

Applications should document the proposed member's qualifications. In particular, the IRSAC is seeking applicants with knowledge and background in one of the following areas:

Large Business & International

- International tax expertise
- Experience as a certified public accountant or tax attorney working in or for a large, sophisticated organization, and/or
- Experience working in-house at a major firm dealing with complex organizations

Small Business & Self-Employed

- Experience with online or digital businesses
- Experience with audit representation
- Experience educating on tax issues and topics
- Knowledge of passthrough entities, and/or
- Knowledge of fiduciary tax

Tax Exempt & Government Entities

- Experience in exempt organizations
- Experience with Indian tribal governments and/or
- Experience with other aspects of TE/GE
