WHITE PAPER

Transitioning Your CPA Firm to the New Normal: COVID-19 Virtual Work Environments Are Here to Stay

COVID-19 has disrupted life as we once knew it. Some aspects of daily life and work will eventually return to some semblance of normalcy. However, how we work and even how we receive medical care, for example, are irrevocably changing before our eyes and the post COVID-19 work and healthcare worlds will never be the same.

In both cases, and due to the urgent need, telework and [telemedicine](#) adoption are accelerating exponentially.

The cat is out of the bag, as they say.

Prior to COVID-19, there was still resistance to telework and telemedicine. Teleworking was still frowned upon in some industries or was limited
