COVID-19 Resource Center

Xero's Behind Small Business and COVID-19 resource page helps small businesses understand what government support they can access and how they can learn new skills, take their business online or manage working remotely.

Jun. 30, 2020

Small business accounting maker [Xero](#) is providing small businesses in North America with easy access to resources, information and product offers designed to help them through the challenging economic environment caused by the global COVID-19 pandemic.

Xero's Behind Small Business and COVID-19 [resource page](#) helps small businesses understand what government support they can access and how they can learn new skills, take their business online or manage working remotely.

In addition, Xero is making these resources available on Microsoft's Small and

resources that offer clear guidance to help businesses maintain continuity and make smart decisions.”

Qualifying Microsoft customers who are new to Xero in the U.S. and Canada, will receive 50 percent off a 12-month Xero subscription, enabling business owners to monitor financial performance and plan for the future.

Xero customers looking for products and services to enable remote work, simplify IT, and reduce costs can access Microsoft 365 productivity solutions. Chat, meet, call, and collaborate all in one place with Microsoft Teams, and access 1TB of cloud storage (per user) plus familiar Office apps including Word, Excel, and PowerPoint.

For more information on resources and available offers, please visit the [Xero Behind Small Business and COVID-19 resource page](#) and [Microsoft Small and Medium Business COVID-19 resource center](#).
