In order to help its customers amid challenging economic times, [Fishbowl](#), in partnership with [Shippo](#), have announced the availability of its newly redesigned [Fishbowl ShipExpress](#) plugin at no cost. The updated plugin provides access to label printing, tracking, and more from over 50 regional, national and international shipping carriers.

Because of the partnership, the five-cent software service fee for each generated shipping label is waived by Shippo for Fishbowl ShipExpress users. Customers simply create a Shippo account and download the ShipExpress plugin to begin using.

The ShipExpress plugin is valued at \$995 and is included at no cost for Fishbowl Manufacturing and Fishbowl Warehouse customers. It adds many new features to the shipping and sales modules.

“We are pleased to offer a powerful new shipping plugin for our customers,” said

- **Updated shipping label tool**, which allows you to print free labels from Shippo.
- **Signature confirmation** to let you know if packages are received by the right people.
- **Shipping insurance** for extra protection on expensive items.
- **Shipment tracking** to show you each package's ETA and if there are any delays.
- **Bulk address validation** to avoid shipping to the wrong addresses when dealing with a large volume of outgoing packages.
- **USPS Commercial Plus Pricing**, which gives you exclusive discounts on USPS shipping rates.
- **No subscription costs**, unlike other shipping solutions like Endicia and ShipStation, which charge you on a monthly basis.

“We're excited to partner with Fishbowl to offer extended shipping functionality in the ShipExpress plugin to Fishbowl customers,” said Mario Paganini, head of marketing at Shippo. “At a time when more and more commerce is taking place online, merchants need the best possible tools to keep up with ever-changing consumer behavior.”

Fishbowl ShipExpress is built into the interface of Fishbowl Manufacturing and Fishbowl Warehouse and immediately available to provide advanced shipping capabilities.
