Josh Cyphers has been named the new president of [Nvoicepay](#), a FLEETCOR company. Formerly the Vice President of Product and Strategy for Nvoicepay, Cyphers takes over from Co-Founder and CEO Karla Friede, who is departing after eleven years to devote her time to continued work as an angel investor and board member

The leadership announcement comes on the heels of Nvoicepay's new strategic partnership with Beanworks to offer an enhanced payments platform for the US market, helping businesses operate with a completely digital payment workflow for remote payment approvals and payment processes.

"As the global economy transitions into remote work environments and a challenging economic climate, Nvoicepay is uniquely positioned to streamline the accounts payable process for businesses across various verticals and industries, empower remote teams and significantly reduce back office costs," said Josh Cyphers, President of Nvoicepay, a FLEETCOR Company. "I am excited to step into this new role as we continue to expand capabilities and partnerships to provide services and solutions for finance teams."

Prior to his role as VP of Nvoicepay, Cyphers has managed successful growth for a variety of companies, from start-ups to Fortune 100 companies. He has served in leadership roles at Microsoft, Nike, and several fast-growing enterprise software companies. Josh is a former CPA and has a BS in Economics from Eastern Oregon University.

“We are thrilled to have Josh in this role. He not only brings a deep understanding of
