Aug. 06, 2020

As Audit and Advisory reign supreme as a critical need and differentiator for accounting practices, **Avii™** ([www.avii.com](http://www.avii.com)), a leading practice management platform for tax, audit, advisory, is bringing additional advanced functionality forward in Avii Audit Procedures in the current 2.0 version of Avii Workspace™.

Avii's Audit Procedures is the outgrowth of 20 years' experience in custom development of cutting-edge audit functionality for clients in the Big 4 to cover

critical functions in state and federal agencies.

- Helps to train new members
- Establishes a consistent flow and response so clients know what to expect
- Tracks completed steps for continual status

In all, the Audit Procedures tool is the specialized auditing software that actually helps accountants assess risks and provide meaningful assessments to their clients. From audits surrounding bookkeeping to the financial statements and analysis that meets compliance needs and helps to inform the accurate and successful outcomes of M&A and funding events, the new functionality in this software is a critical key.

For more information on Avii Workspace and the new Audit Procedures Tool, visit [www.Avii.com](http://www.Avii.com).

Accounting • Advisory • Auditing
