## Change for Firms

With remote interactions becoming the norm, now more than ever, collaborative technologies are crucial to supporting and transforming the way professionals interact with each other and how firms connect with their clients.

Aug. 17, 2020

Wolters Kluwer

**Wolters Kluwer Tax & Accounting** today shared the theme and focus for its **2020 CCH Forward Together** (#CCHFT20) virtual conference. This event for customers and strategic partners in North America will take place on October 26-30, 2020 and will feature dozens of virtual keynotes, networking, and topical sessions designed to define the next level of innovation across the accounting profession.

Top performing firms should plan to attend to address the challenges posed by the new work environment, to take advantage of digital transformation to modernize their practices, and to turn today's rapid pace of complex legislative and regulatory change into opportunities for growth

. “As we deal with the effects of the current market both in the short- and long-term,

With remote interactions becoming the norm, now more than ever, collaborative technologies are crucial to supporting and transforming the way professionals interact with each other and how firms connect with their clients.

By participating in the CCH Forward Together virtual online conference, tax and accounting professionals will have the opportunity to interact with and learn from some of the top tax & accounting practitioners, technologists, and thought leaders in the profession, earning up to 25 CPE credits during a wide range of interactive online sessions, including the eagerly anticipated:

- **A Fireside Chat with Bob Dohrer (AICPA Chief Auditor).** Discussion on how auditors are affected by the recent Auditing Standards Board (ASB) standards and active agendas
- **Best Practices for Data Gathering.** Practical tips and best-practices for maintaining productivity when sourcing client tax data during the COVID-19 social distancing measures
- **COVID-19 Tax Changes Affecting Individuals.** Detailed analysis of COVID-19 legislative changes pertaining to individuals with emphasis on due diligence and planning
- **Virtual Office Technology Best Practices.** Discussion on best practices, tips, and tricks when using technology to support the growing demand of a flexible work environment
- **What's New with Tax.** Overview of enhancements in the award-winning [CCH ProSystem fx Tax](#) and [CCH Axcess Tax](#) compliance solutions ahead of 2020 tax return filing season

In addition, attendees will have the opportunity to experience virtual product demonstrations and discussions featuring the latest technology solutions from Wolters Kluwer. Some of the products on display this year will include new

enhancements to the award-winning [CCH Axcess](#) and [CCH ProSystem \*fx\*](#) platforms,
