Tipalti, a global payables automation platform, has announced three new strategic partnerships to further streamline finance operations for growing companies. The partners include **Burkland**, a CFO, accounting and tax services company; **Klear**, an

influencer marketing platform; and [SCS Cloud](#), a cloud consulting and implementation provider.

Burkland provides startups with fractional CFOs, accountants, and tax advisors so startups can focus on growth. They give strategic guidance to ease a company's growing pains and provide financial insight to scale.

“Our partnership with Tipalti will offer our clients an automated system that processes payments seamlessly while also maintaining compliance,” said Steve Lord, Chief Learning Officer and NY CFO Practice Lead, Burkland. “The value and capabilities that Tipalti brings are impressive.”

Klear helps brands build, scale, and measure influencer campaigns. Its sophisticated technology supports some of the world's largest organizations and empowers influencers around the world. Tipalti is providing a seamless mass payments capability for Klear's customers managing influencer campaigns.

“Partnering with Tipalti has helped us ensure that we are supporting our customers' needs adequately,” said Eytan Avigdor, CEO, and Co-Founder of Klear. “Now, more than ever, tools and software are the core of how businesses run operations and manage communication. Tipalti enables us to add payments to our suite of features, thus providing our customers with a more efficient and transparent method for managing their influencer campaigns, while reducing headaches and friction.”

SCS Cloud improves the efficiency, transparency, and profitability of their clients through integrated cloud-based systems and business intelligence tools which are effectively implemented and well supported. SCS Cloud has a team of dedicated professionals with experience in ERP, CRM, and Governance, Risk and Compliance software and consulting services. Tipalti and SCS Cloud both partner with NetSuite to provide superior service to clients.

“SCS Cloud has seen great success in our partnership with Tipalti. As a 5-star NetSuite partner, we work with many integrated NetSuite solutions and the Tipalti product has been an excellent solution for our clients,” said Derek Hitchman, Lead Consultant and CEO. “SCS Cloud's NetSuite consulting and development team has extensive experience customizing NetSuite procurement processes. Combining our team's knowledge with Tipalti's solutions has resulted in successful projects and delighted clients.”

“We’re excited to be partnering with organizations like Burkland, Klear, and SCS Cloud to help further modernize their clients’ financial operations,” said Chen Amit, CEO and co-founder of Tipalti. “We look forward to working together with our partners to help organizations achieve best-in-class financial operations that enable efficiency, compliance and transparency as they scale.”
