to network with mentors, program alumni, and other diverse students. Additionally, all scholars will receive a \$500 scholarship to help with their educational expenses.

“In just three days, this amazing program prepares participants to successfully make the crucial transition from student to young professional,” says Kari L. Natale, CAE, senior director of the CPA Endowment Fund of Illinois. “It’s incredibly rewarding to watch these students become more motivated, confident, and better prepared to succeed in the accounting and finance profession as each day passes. They’ll truly accomplish things they never realized were possible.”

The program is funded by donations to the CPA Endowment Fund of Illinois’ Mary T. Washington Wylie Opportunity Fund, which honors her legacy as the first African-American female CPA in the U.S. and a trailblazer who opened doors for future generations of African-American accountants to follow in her historic footsteps.
