— Some background on this video: Throughout the health & wellness industry, Jigsaw Health has many friends who are now working from home so that we can all continue delivering the nutrition products that we know our customers need.

Listen...we're all very aware that this COVID-19 crisis is not a laughing matter — thousands have died, millions have lost their jobs, and EVERYONE is struggling right now in some form or another.

But we also know that LAUGHTER is the BEST medicine. So please allow us this attempt at comic relief while we work from home to maintain our supply chains... and our sanity.

We hope this silly video puts a smile on your face today. ☐

Wishing wellness to you, your families, your neighbors — and to the entire world.
