Oct. 26, 2020

Tax planning software for accounting firms designed to help you save clients money on taxes. Automated client requests for agreements, engagement letters, file requests, questionnaires, tax planning and more.

Corvee empowers accounting and tax professionals with a suite of solutions designed to build, grow and optimize their firms. The company works with firms in the specialties of tax, accounting and financial advising. Corvee provides a bundle of solutions for each specialty including tax planning and client collaboration software, firm growth and development programs and the ability to become or partner with a financial advisor to offer tax-advantaged wealth management to clients. Built with the help of on-staff tax and accounting experts, the all-in-one suite is designed to help firms increase revenue, profitability and efficiency, while providing the highest value to their clients. For more information, please visit [www.corvee.com](http://www.corvee.com).

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
