then no award will be given. The Prime award is given to a company that is a leader in almost every category listed below.

The following are key considerations used in voting for the Prime award:

- Reasonable management goals and expectations
- Long term stability in the accounting market
- Clear and honest communication with employees and market influencers
- High quality products
- Top shelf customer support
- Significant commitment to product development and product improvement
- Great management vision and direction for both current and future plans

K2 Enterprises would like to congratulate **AccountantsWorld** as the recipient of the 2020 Prime award.

“AccountantsWorld has innovated with client accounting services (CAS), and payroll services for accounting firms for twenty years”, said Brian Tankersley, Director of Strategic Relationships for K2 Enterprises. “AccountantsWorld has made their product more usable and feature rich year after year. I can think of no other company which has focused so much on Software as a Service and support for the accounting profession for so long.”

K2 QUALITY AWARD WINNERS BY CATEGORY

In addition to the Prime award, K2 names award winners in 20 individual categories. For 2020, following are the award winners in each of these categories.
