the other G2 recognitions, reaffirm the company's market position as the category leading vendor in Accounts Receivable Automation.

Oct. 29, 2020

Invoiced, the award-winning Accounts Receivable Automation platform, today announced that, for the third consecutive quarter, it has been designated a “Leader” in [G2](#)’s Fall 2020 Reports covering the [Accounts Receivable Automation Software](#) Category. Invoiced is also distinguished as both the overall “[Highest Rated](#)” and “[Easiest to Use](#)” solution within this software category across all business segments and regions.

G2.com is one of the top destinations for discovering technology solutions, with more than 1 million reviews on 95,000+ products across 1,700+ tech and service categories.

Invoiced also received several other recognitions on G2 for the Fall 2020 period including:

- Best Results
- Best Usability
- Best Meets Requirements

- Best Relationship

awards we earned for Fall 2020,” said Parag Patel, co-founder and chief operating officer for Invoiced. “As we continue to accumulate happy, successful customers, we’re thrilled to have those same customers affirm our category leadership with their glowing ratings and reviews on G2.”

G2 ratings and reviews about Invoiced are published by users from companies of all sizes, industries and regions. Companies use Invoiced to solve complex billing challenges, automate collections and streamline payments, cash application and more. Invoiced clients enjoy the benefits of getting paid faster, spending less time on collections activities and providing a modern, frictionless payment experience for their customers.

Invoiced integrates with popular ERP and accounting systems and includes everything businesses need to automate accounts receivable and the invoice-to-cash lifecycle.
