Dec. 15, 2020

Many businesses are beginning to prepare for their end-of-year filing and may be facing unique challenges due to the pandemic. For example, they may still be operating remotely. Regardless of their size and situation, TaxBandits continues to offer an e-filing solution to fit their needs.

As an IRS authorized e-file provider, www.TaxBandits.com has been offering modernized IRS tax filings for over a decade. This high level of experience shows in the efficiency and ease of functionality within the application. The TaxBandits application supports about 70 payroll and employment IRS Tax Forms in total, including the crucial W-2, 1099s, 94x Series, ACA (1095) Forms, and 5498 Series. Whether filing with the IRS, SSA, or state agencies, TaxBandits provides features that increase the speed and accuracy of filing for organizations of any size.

TaxBandits offers a seamless API solution for Payroll and Employment Tax e-filing, allowing clients to integrate their software to prepare and transmit tax forms.

TaxBandits takes a multi-layered approach to data security, ensuring that each
