### **From the 2020 reviews of W-2 and 1099 compliance systems.**

After-the-Fact Payroll from AccountantsWorld is designed for accounting professionals and best suited for firms already using AccountantsWorld applications, by providing processing of quarterly and year-end compliance forms. It can also be used as a stand-alone compliance system.

Accessible from any browser, After-the-Fact Payroll is an online application that can also be accessed using mobile devices such as smart phones and tablets. The application offers good payroll capability, allowing users to easily import payroll data from Microsoft Excel, as well as the ability to import payer, employee and recipient information, and can also handle 3<sup>rd</sup> party sick pay, allowances, cash and paycheck tips.

In addition, After-the-Fact Payroll also supports all federal compliance forms including W-2, W-3, 1099-MISC, 1099-I, 1099-R, 1099-S, 1099-DIV, 1096, 1098, and 945, as well as the new 1099-NEC. After-the-Fact Payroll also supports state and local tax jurisdictions, and will also file quarterly payroll returns, unemployment returns, as well as electronic filing of both W-2s and 1099s.

After-the-Fact Payroll includes a good selection of reports such as a year-end comprehensive W-2 report. Other useful reports available include an Employee Payroll History, an Employee List, a 1099 Recipient List, and an Employee Earnings

and Taxes report. All reports can be viewed on screen, saved as a PDF for easy sharing
