What are you doing to make a difference in the profession, your community, the world?

What a year it has been. Throughout the turmoil of 2020, one thing stood out to me most, community. Even while “social distancing”, I witnessed tremendous community and collaboration among the CPA profession. My role allows me to engage this great community everyday in conversations that matter. This is what excites and fuels me to keep working towards a more diverse, inclusive and collaborative profession and world. Together we are stronger. #MarylandCPAproud
