work.

To give back to the profession that has afforded me so many opportunities, I make a point to be very active in our state and national associations. I currently serve on the board of CalCPA and am the vice chair of the state Management of an Accounting Practice committee. With AICPA I am a council member at large and a member of the Life Insurance & Disability Plans committee. In our local community I am the board treasurer of Community Support Network and provide finance training for the Junior League of Napa-Sonoma.
