Learn the three types of professionals you'll NEED when you just open a cannabisbusiness. Since each state has its own laws — and marijuana is still a Schedule I substance under federal law, you'll need someone to guide you in legal matters.

Most banks don't do business with cannabisbusinesses, so you'll also find out how security services can help keep your cash safe. Finally, we talk about maximizing cash flow in light of the fact that cannabisbusiness expenses are non-deductible. ([Read more...](#))

**For Getting Help...**

### [Why You Need a Specialist in Cannabis Accounting Services](#)

While you patiently wait for cannabis to no longer be classified as a Schedule I drug, you'll have to deal with all those taxable expenses.

Finding an accountant who specializes in the industry will help you reduce your taxable income. Learn how hiring a cannabis accountant will also help you get ALL those cannabis customers running to you! ([Read more...](#))
