healthcare institutions and more.

In addition to his day-to-day responsibilities, Kahn frequently delivers presentations to train nonprofit groups at forums including the New York City Mayor's office, the New York City BAR Association, colleges and universities, boards of directors, law firms and even other accounting firms, as well as at AICPA and NYSSCPA. Kahn also currently serves as the Chairman of the Annual NYSSCPA Exempt Organizations Conference for the 11<sup>th</sup> recurring year.

### **Prometric Appoints New Chief Technology Officer to Senior Management Team**

Prometric LLC ("Prometric"), a global leader providing end-to-end assessment services and solutions to certification and licensure bodies and educational institutions worldwide, recently announced that Oliver Chang joined the company as Chief Technology Officer.

Mr. Chang is an established technology industry veteran with significant experience leading global technology organizations in the development and implementation of cloud-based strategies for SaaS and on-site deployed technologies for clients across a range of industries that align closely with Prometric's market engagement and strategic focus.

He will work closely with Prometric clients, in-house experts and technology industry partners to develop and deliver product innovations to the assessment market that provide tangible value and results to organizations worldwide. Prior to joining Prometric, Mr. Chang served as Vice President of Software Product Development for Diebold Nixdorf, a global information technology firm serving banking and retail customers.

Associated with this transition, Prometric and industry veteran Paul Forrester will

LeaseCrunch, a cloud-based lease accounting software company, recently announced Megan Krajnik as the Head of Marketing. Megan will be responsible for developing and implementing the corporate marketing and go-to-market strategy to help the company achieve revenue growth.

Most recently, Megan led North America partner marketing at BlueVoyant, a cybersecurity services company, where she grew and fostered marketing partnerships with reseller and strategic partners and executed channel marketing programs that drove new business and increased pipeline. Prior to that, she was the Director of Marketing at PKWARE, a data security software company.

Megan holds a bachelor of arts degree in public relations from Marquette University, where she was a member of the Public Relations Student Society of America, the College of Communication Mentor Program, Pi Beta Phi and Lambda Pi Eta.

### **Rea & Associates Named 80<sup>th</sup> Largest Firm in the Nation**

Rea & Associates, Inc., a regional accounting and business consulting firm, moved up six spots on [\*Accounting Today's Top 100 CPA Firms\*](#) list and is now considered the 80<sup>th</sup> largest CPA firm in the nation. The annual ranking is performed by one of the industry's most notable publications and is determined by revenue growth. The publication also named the 14-office firm the 13<sup>th</sup> largest CPA firm in the Great Lakes region, which includes firms in Illinois, Indiana, Michigan, Ohio, and Wisconsin.

Headquartered in New Philadelphia, Ohio, Rea & Associates operates 14 office locations throughout the Buckeye State and employs more than 350 professionals. Over the last year, the Ohio CPA firm continued to focus on the unique challenges and opportunities found within various industries. According to *Accounting Today's* findings, by demonstrating industry-specific expertise, CPA firms have been able to

emphasize their roles as trusted advisors among their clients, which has been critical
