A new survey demonstrates how accounting firms changed the way they operated during the tumult of 2020—and reveals which of those changes are likely to be permanent. How does your firm stack up? Find out.

Topics in the survey include remote work, flexible hours, CAAS, security, staffing and more. What did firms do to adapt during the pandemic? Which changes worked ... and which didn't? Which ones are likely to become permanent as the industry seeks a "new normal?" The survey results answer all of those questions and more.
