Substantially all those interactions were the result of FASB-initiated outreach aimed at soliciting a wide range of investor perspectives, including buy-side portfolio managers and analysts, sell-side analysts, accounting analysts (both buy-side and sell-side), credit rating agency analysts and managers, individual investors, and private company lenders and other capital providers (e.g., venture capital/private equity).

The issuance of the Investor Outreach Report coincides with the launch of FASB’s enhanced investor web portal, a “one-stop shop” that provides easy-to-access information on projects of interest to investors, investor-focused educational videos on specific standards, and how investors can share their views on all FASB activities.

The FASB [Investor Outreach Report](#) and the FASB [investor web portal](#) are available at www.fasb.org.
