The best way that I have found myself able to give back to the profession and community is by volunteering my time at national, regional, and state level organizations. My volunteer activities include my service on the Board of Governors at FDU, developing and presenting dozens of continuing education sessions across the country, and by serving as a volunteer leader at the NJCPA, NYSSCPA, and IMA. These endeavors are in addition to my volunteers at the AICPA and CAW, focusing around financial literacy and sustainability efforts respectively.

What do you like best about the accounting profession? The ability to work with, learn from, and collaborate with people from all types of backgrounds with all kinds of expertise.
