contributor to both Forbes and Fast Company and I have appeared as a guest-expert on various global tax webinars and podcasts including for International Living Magazine, American Citizens Abroad, and Democrats Abroad.

## What are you doing to make a difference in the profession, your community, the world?

- Chair of the Bright!Tax US Global Scholar Initiative – over the last 6 years, the Bright!Tax Global Scholar Initiative has supported 11 exceptional young Americans realize the dream of pursuing studies abroad in diverse fields from Anglo-Saxon archeology to health technology and predictive engineering for future self-driving cars. My professional journey was inspired by my study abroad experience, and it is my passion to give others the same opportunity.
- Community outreach in Chile
- Ongoing pro-bono tax support for Americans living overseas

## Favorite books/websites/podcasts/speakers/bloggers:

Books – Drive by Daniel Pink, Energy Leadership by Bruce Schneider, The Culture Code by Daniel Coyle.

Bloggers – Taxgirl, Phil Hodgen

## What do you like best about the accounting profession?

The accounting profession has allowed me to meet and make a difference in the lives of thousands of American expats around the world, which has been a humbling and deeply rewarding experience. Every American who sets off to live overseas is a courageous, pioneering visionary with an incredible story to tell, filled with adventures and challenges. The ability to meet and support fascinating people in all corners of the globe is inspiring, exhilarating, and empowering.
