UHY has acquired two accounting firms effective January 2022. The combination of firms will add three new offices to UHY's U.S. footprint, as well expand the firm's reach into Iowa and in Maryland.

LWBJ is a leading audit, accounting, tax, consulting, and mergers/acquisitions firm with two Iowa offices—one in Des Moines and the other in Ames. LWBJ is comprised of 65 team members, ten of whom will be joining UHY as partners. The Iowa offices join UHY's rapidly growing Midwest Region, which is 200 professionals strong with four offices in St. Louis, Kansas City and Houston.

“UHY is thrilled to welcome LWBJ and TGM to our growing and entrepreneurial family,” says [Steve McCarty, UHY US Chief Executive Officer](#). “UHY’s strategic plan includes continued expansion within our existing markets as well as targeted new markets throughout the country.”

McCarty further explains, “UHY’s people first culture is well received by firms similarly focused on providing a better experience for their colleagues. Another important benefit of joining UHY is the ability to partner with like-minded professionals focused on providing deeper services that dynamic middle market businesses need in these demanding times.”
