their financial strategies.

“It’s gratifying to see the level of trust our clients place in our work and in our teams,” said BKD Partner Adam Smith, who leads the firm’s Higher Education Center of Excellence. “BKD recognizes the headwinds colleges and universities face today, which is why we’ve directed significant resources at the local, regional and national level to better serve our higher education clients.”

The BKD [Higher Education Center of Excellence](#) continuously evaluates the potential issues facing colleges and universities in order to further develop its Financial Sustainability Services offerings. This suite of services is tailored specifically to colleges and universities and provides a range of in-depth, data-driven analysis of long-term sustainability, including program economic analysis and financial scenario modeling.

More of BKD’s thought leadership in the higher ed sector can be found at no cost via the [2022 Annual Higher Education Outlook report](#) or by subscribing to BKD’s [higher education Thoughtware series](#).
