**Billtrust**, a B2B accounts receivable (AR) automation and integrated payments leader, has acquired Netherlands-based **Order2Cash**, a leading B2B order-to-cash platform provider. The acquisition follows the October 2021 purchase of **iController**, broadening the company's European footprint, global presence and ability to expand its innovative **Business Payments Network (BPN)**.

For over 20 years, each company has pursued a similar vision to streamline and accelerate B2B payments for its customers. Now, those customers will gain access to a broader platform of SaaS modules and a global B2B payments network at a time when it is critical to digitally transform accounts receivable to maximize cash flow. Order2Cash's enterprise customer base, global interoperability capabilities and established connections to over 70 B2B and B2G e-invoicing networks will broaden BPN's reach to deliver fully compliant and secure e-invoicing across multiple markets. As an open network supporting buyers and suppliers, allowing both accounts payable and accounts receivable platforms to exchange invoices, payments

and remittance data, BPN delivers invoices to over 170 leading accounts payable (AP)

“On behalf of our Order2Cash team, we are pleased and excited to combine with Billtrust, a true industry leader and innovator,” said Frank Hoekstra, CEO, Order2Cash. “Since 2000, we have worked to make the digital transformation of AR fast and simple while streamlining B2B invoicing and payments. Billtrust brings us an exciting opportunity to leverage our joint commercial and industry experience and offer all customers greater access to a global marketplace. Our coming together ensures that we can continue to provide the speed and quality of service needed to operate in today’s digital landscape.”

The Order2Cash team will continue to operate from Netherlands locations in Amsterdam and Joure, as well as offices in Krakow, Poland and New York City, USA.
