**Vertex, Inc.**, a provider of tax technology solutions, has announced that its Vertex Indirect Tax Chain Flow Accelerator is certified by SAP for integration with SAP S/4HANA. The integration enables customers to achieve fully automated and consistent value added tax (VAT) treatment with their SAP S/4HANA software.

“Vertex has partnered with SAP for over 20 years to help deliver a best-in-class customer experience,” said Brian Wilchusky, director of SAP global partnerships, Vertex. “The SAP-certified integration of the Indirect Tax Chain Flow Accelerator with SAP S/4HANA underscores our commitment to building solutions which offer innovative features that integrate smoothly, and without custom application development, while increasing the value of our customers’ SAP investments.”

The **SAP Integration and Certification Center** (SAP ICC) has certified that the interface software VERTEX 100\_755 for the product Vertex Indirect Tax Chain Flow Accelerator integrates with SAP S/4HANA using standard integration technologies. SAP S/4HANA is the next-generation business suite designed to act as the digital core, helping customers drive digital transformation across their organizations.

This is the latest Vertex global solution to be certified, following Vertex Indirect Tax O Series 9.0, which was recently certified by SAP as Built on SAP Business Technology Platform, catering to the Brazilian market. Vertex offers a full suite of SAP-certified solutions to help customers address the specific needs of their businesses, regardless
