Shahram Zarshenas • Mar. 16, 2022

Before we even dive into [accounting workflow](#) checklists, we can agree that accounting workflows are now standard in public accounting firms. Nearly all of them are running some form of accounting workflow – with up to [94% of accounting managers](#) even trying to leverage cloud solutions to do it.

Here's the thing, though. As it turns out, many of these firms are struggling to

workflow checklist in your organization?

Well, this is where we invite you to tag along as we explain:

- What an accounting workflow checklist entails.
- How it impacts accounting operations
- How to build an effective one.
- How to digitalize it
- How to leverage it with your team.
- How to progressively improve it over time.
