This webinar was held on March 30, 2022.

Sponsor: Corpay One

Duration: 1 Hour

Corpay One has new ideas and a new business model that is helping accountants and Client Accounting Services freshen up their service offerings and accelerate growth in the Client Accounting Services practice area. Whether that is using more capable workflows to automate more transactions or support more wide-reaching approvers, the Corpay One solution is helping firms serve clients better. And with a business model that doesn't require any user or software fees, firms are saving a bundle and serving clients of any size and monthly payment volume. Are you ready to innovate?

Program level: Basic (no prerequisites required).

Field of Study: Accounting
