This webinar was held on May 18, 2022.

Sponsor: Corpay One

Duration: 1 Hour

Join us to learn how Corpay One gives nonprofits, like Nonprofit Bookkeeping, more time to focus on their mission by offering clients a better spend management solution for bill pay and reimbursements.

Nonprofit organizations are busy – especially with tasks related to bill pay. Approvals typically require multiple physical signatures, bills are paid manually via paper checks, grants require meticulous expense tracking. With Corpay One, nonprofits can save time, money and get back to what matters most: the mission.

Corpay One's custom workflows allow nonprofit organizations to create a system tailored to their needs. That means clients no longer have to spend countless hours

writing checks and tracking down executives for signatures – approvals and

Jeremy Van Groll

Founder and President

Nonprofit Bookkeeping

Jeremy Van Groll is an incorrigible financial nerd and is the founder and President of Nonprofit Bookkeeping. Jeremy has a Masters in Financial Management and has twenty years of experience in leadership roles including corporate accounting, banking, data analysis, and compliance reporting. Nonprofit Bookkeeping partners with domestic and international organizations to implement efficient financial and data management processes that allow nonprofit leaders to focus their efforts on their Mission and building relationships with Donors. Jeremy has been featured speaker on optimizing both personal and organizational financial management and was nominated for the Foundations Ethics in Business award.

When not geeking out on spreadsheets, Jeremy enjoys attending concerts, singing
